

## ***Be part of the GHS PTSA 2009-10 Family Directory!***

This year, the Garfield PTSA will once again print a Family Directory to be distributed to all GHS families. To be listed in this invaluable resource for getting and staying in touch, a parent or guardian must sign this form and fill out the information to be included.

**NOTE** that you must **fill out and sign this form** to be included in the GHS PTSA Family Directory.

We are not publishing street addresses, but you may include up to two preferred phone numbers and up to two e-mail addresses. These may be parents/guardians' and/or students' home, work, or cell phone numbers and e-mails. They need not (but can) be the same data as listed on the official Seattle School District/GHS data sheets.

Please return this filled out and signed form with the rest of your student's first week packet, or to the GHS Office by Friday, Sept. 25. We plan to publish the Family Directory by Oct. 30. Additions/corrections will be published in January.

---

I authorize Garfield High School staff to share my name and the following phone numbers and emails with the Garfield PTSA for inclusion in its family directory. I understand that my consent is for this specific purpose only and that this release does not alter the FERPA opt-out status of my child. I also understand that the Seattle School District and Garfield High School are not publishing the Garfield PTSA family directory, and do not control access to or distribution of the PTSA family directory, and are not responsible for releases of information by the Garfield PTSA or parties who obtain the Garfield PTSA family directory.
